

Shape Nets- Questions

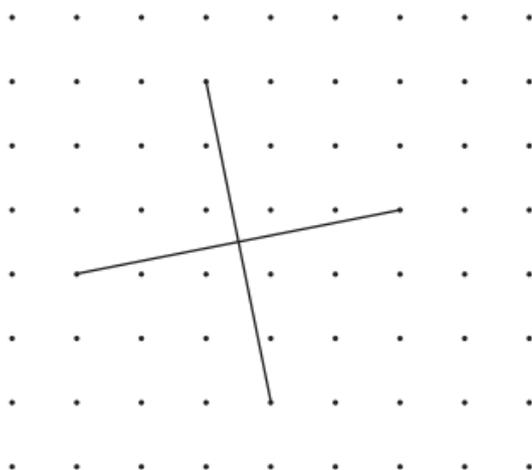

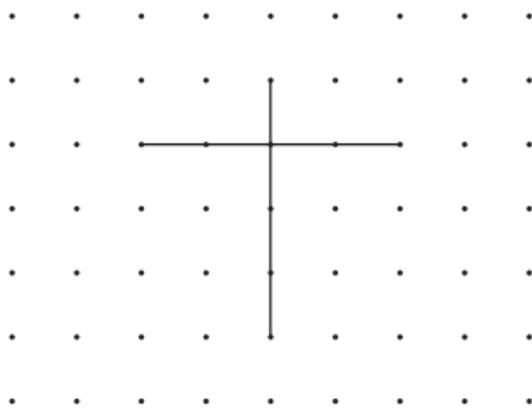

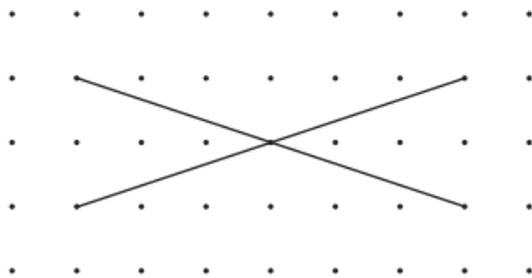

Key Stage 2: 2003 Paper A

1.

15

These diagrams show the **diagonals** of three **quadrilaterals**.

Write the names of the quadrilaterals in the boxes.

Here is the net of a cube with no top.

The shaded square shows the bottom of the cube.

Draw an extra square to make the net of a cube which does have a top.

13

This is a drawing of a pentagonal prism.

Tick (✓) the one shape that is a net for the pentagonal prism.

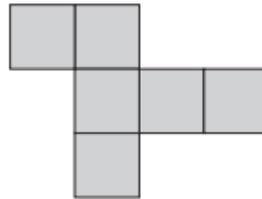

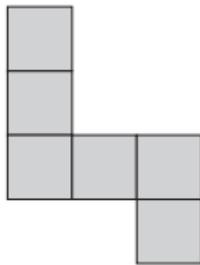

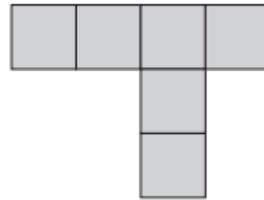

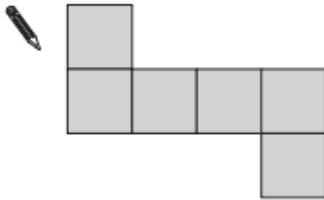

1.

16

Here are four diagrams.

On each one put a tick (✓) if it is a net of a cube.
Put a cross (✗) if it is not.

16

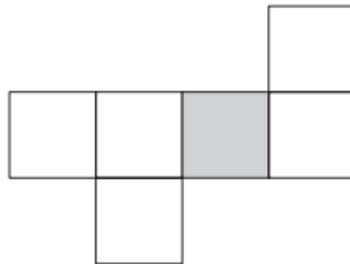

Here is a cube.

The cube is shaded all the way round so that the top half is grey and the bottom half is white.

Here is the net of the cube.

Complete the shading.

17

Emily has 6 cubes.

She sticks them together to make this model.

She paints the sides of the model grey all the way round.

She leaves the top and the bottom of the model white.

How many of the cubes in the model have **exactly two** faces painted grey?

5

Here are some nets of shapes.

For each net, put a tick (✓) if it folds to make a **pyramid**.
Put a cross (✗) if it does not.

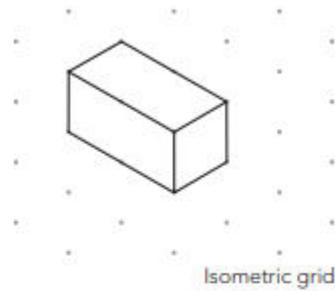

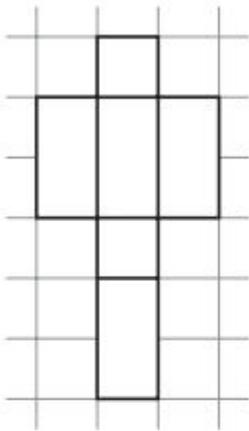

1.

11

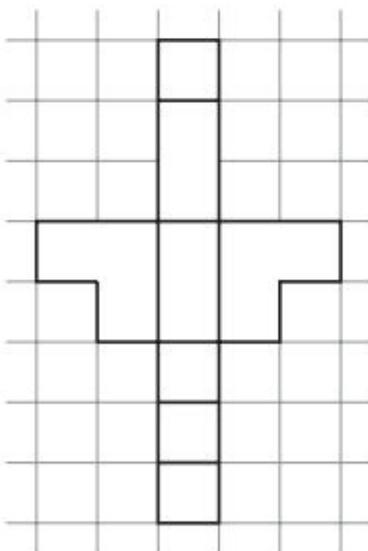

Look at the net drawn on square paper.

It folds to make a prism.

The net below folds to make a different prism.

Draw it on the grid.

Here is a cube.

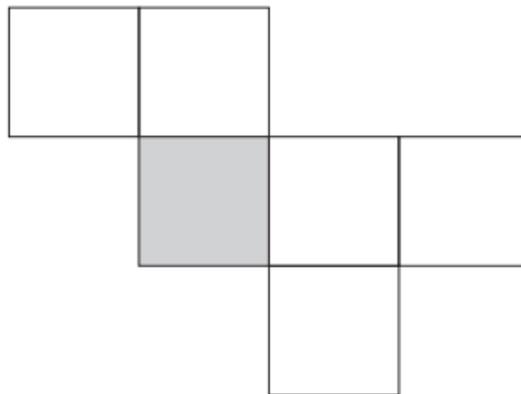

The top half of the cube has been shaded all the way round.

Here is a net for the cube.

One square has been shaded for you.

Shade more of the net so that it could fold to make the cube above.

1.

9

Look at the cuboid below.

Draw **two** more faces to complete the net of the cuboid.

A grid of 10 columns and 10 rows of dots. A partial net of a cuboid is drawn on the grid. The net consists of three rectangles: a 4x2 rectangle on the left, a 2x2 rectangle in the middle, and a 4x2 rectangle on the right. The 4x2 rectangle on the left is attached to the top edge of the 2x2 rectangle. The 4x2 rectangle on the right is attached to the bottom edge of the 2x2 rectangle. The 2x2 rectangle is positioned between the 4th and 6th columns and the 4th and 5th rows. The 4x2 rectangle on the left is between the 2nd and 6th columns and the 3rd and 4th rows. The 4x2 rectangle on the right is between the 6th and 10th columns and the 4th and 5th rows.
